This exceptional home has so much to love, amazing Sangre de Cristo mountain views, large 1 acre lot in the back of the development, new stucco in 2020, new furnace in 2024, very easy access to downtown Santa Fe in under 12 minutes!! The owner has added so many upgrades; beautiful tile and composite 1" wood floors, custom tile work throughout the home, new vinyl clad windows in every room, custom sinks, faucets and tile work in the primary bathroom and more. The home sits on a solid foundation with 2x6 construction. This 3 bedroom 2 bath home has amazing views and did I mention the large wood burning fireplace with a stonework surround and the coyote fenced hot tub area to view the stars at night. Picture yourself having coffee in the morning watching the sun rise up over the mountains or a cocktail in the evening watching the mountains turn a reddish glow. Outdoor enthusiasts will love being just a short walk or ride from the La Tierra trails and close to the Buckman BMX track. Please schedule a showing today ... You will not be disappointed !!
