Wind your way along lovely Tano Rd. to this fabulous creatively contemporary estate. The original part of the home was designed by award winning architect, Jeff Harner and built in 2000. In 2018, an addition paid homage to his design, more than doubling the size of the home, but keeping a continuity to the conceptual contemporary creation. Natural light from windows integrate into every part of the home melding its beautifully composed and landscaped exteriors with its exceptional interior spaces. In addition to its pure design aesthetic of sleek and sophisticated living, great attention went into making the home an organizational dream, with ability to store and organize within drawers, cabinetry and closets. This unparalleled home provides an exquisite place to entertain and enjoy life. Quality materials, cabinetry, appliances, fixtures and finishes create one of the most strikingly designed homes in all of Santa Fe. The home has a crisp, light and enchanting feel, with detailed perfection in both design and execution. The rooms are Spacious and versatile. Elegant landscaping and a private gated setting assure views and tranquility. A 2 bedroom guest house was added in 2023 and the adjacent 2.5 acre lot was purchased for added privacy. The lot is offered separately.
