Residential on 0.78 Acres

N/A, Santa Fe, NM

The elegant entry courtyard and portal set an appropriate tone for this impressive property. Privately hidden behind a gated wall is an impeccably maintained home, surrounded by mature trees and multiple courtyards. In addition to the main residence is a 1 bedroom casita. The main house is spacious, gracious and full of authentic Southwest details: vintage Saltillo floors, French doors, vigas, hand-carved and painted beams and woodwork, nichos, bancos and fireplaces. The primary bedroom is expansive and private, and opens to its own patio with hot tub, fireplace, and views.

There are 2 additional bedrooms in the main house, plus many extras, including: a large office, a wet bar, a media/library room, a roof top deck and a generator that services the entire house. Plus ample parking (for up to 10 cars) and a 2 car garage are amenities not often found in this coveted Eastside neighborhood. And finally, the LOCATION - not to be missed!!!
