2 Bedroom, 2.00 Bathroom, 2,205 sqft

Residential on 2.52 Acres

N/A, Santa Fe, NM

This charming adobe home epitomizes Pueblo Revival style with traditional architectural details such as beautiful wood ceilings of vigas and latillas, also coved ceilings with vigas, plaster walls, solid wood doors, wooden lintels, brick and Saltillo tile floors, Talavera tile, and a kiva fireplace. Sited on two and a half acres in a pastoral setting with pretty Sangre de Cristo mountain views, the property features beautiful large pine trees, an enclosed yard with pretty plantings and lovely flower gardens, and a synthetic wood deck. The owner has added an art studio, which has blackout window coverings, so it could be used as a dark room as well. The original infrastructure was upgraded, the electrical system, new mechanical room added with hot water tank and boiler, roof and stucco, and the well was recently maintained with new pressure tanks installed. There's also a small horse barn, if one is so inclined. Classic Santa Fe style residence!

Built in 1983
