3 Bedroom, 3.00 Bathroom, 3,273 sqft

Residential on 2.18 Acres

N/A, Los Alamos, NM

Tucked away on 2.18 peaceful, horse-zoned acres in the heart of White Rock, 123 La Senda is more than a home—it's a private retreat designed for those who value beauty, space, and connection to the land. With graceful portals wrapping three sides, lush gardens, and a tranquil backyard pond, this residence invites you to slow down and savor every season. Beyond the adobe-walled yard, native piñon and juniper trees stretch across the landscape, and equine trails wind through the neighborhood—perfect for morning rides, afternoon hikes, or sunset strolls under open skies.

A composite-decked pergola creates a shaded outdoor lounge ideal for entertaining or unwinding in the fresh air. Whether dining alfresco or soaking in the hot tub, the outdoor living experience is both refined and serene.

Inside, over 3,200 square feet of thoughtfully designed space showcases vaulted rough-hewn viga ceilings, 12 skylights, a classic kiva fireplace, and handcrafted bancos and nichos. Fresh paint in the common areas, new carpet, tile floors, and wood-framed windows enhance the sense of comfort and quality throughout.

The custom kitchen features Brookhaven cabinetry, Bosch wall oven and microwave, Wolf 6-burner range, beverage fridge, dual pantries, two islands, and a matching tiled

table. A bright sunroom offers additional space to relax year-round and a great greenhouse.

The spacious primary suite includes private portal access, generous closet space, and a five-piece bath with jetted tub and dual-head walk-in shower beneath a skylight. Built-ins throughout the home include window seats and a curved living room couch that stays with the home—along with the spa-style hot tub.

Additional highlights include a newer septic tank (installed in 2021), a two-car garage, detached RV carport, and direct access to neighborhood trails. Blending timeless style with modern comfort, 123 La Senda is a rare offering in one of White Rock’s most peaceful and sought-after settings.
