2 Bedroom, 2.00 Bathroom, 945 sqft

Residential on 9.90 Acres

N/A, Cerrillos, NM

So much to offer! One bed, one bath home plus one bed, one bath detached studio on nearly 10 acres. This versatile property could function as a multi-generational home, produce rental income, or offer an excellent space for working artists, with end of the road privacy, excellent outdoor spaces, and mature gardens. This home has a private well and a grid-tied solar array and has extremely low utility builds. Lovingly cared for and updated, with Santa Fe style combined with modern touches, and significant recent work, including newly remodeled bathrooms and newer metal roofs. An upstairs deck off of the studio takes in impressive views, while the primary home is anchored in lush gardens.
