This home is perfect for those who are looking for a year round residence or a weekend/summer home. You wouldn't know that the home once started out as a manufactured home as the sellers have put many extra touches inside, plus there is a two story addition giving more room to spread out. There is an extra living area downstairs that can be used as an office or for extra guests. The large deck provides scenic views of the Brazos Cliffs and the countryside. This is perfect for outdoor living. There is a woodstove as well as a pellet stove for those cool evenings. Also, the sellers have had the home rewired, manicured the yard to give more access to walking around outside, there is a fenced area for dogs, an outdoor gazebo that can be used for enjoying a nice cookout or storage, a storage shed (wired) for your yard tools as well as a garage for your vehicle or used as a shop. This home is a must see!
