First time on the market in Santa Fe! Aldea de Santa Fe community! Built in 2003 by Bruce Thompson, this wonderfully flexible configuration offers a three-bedroom main house and detached casita perfectly suited to serve creative pursuits and hosting-needs. The main home's central living and dining spaces are adorned with Santa Fe-classics: plaster walls, viga-accented ceilings, and a cozy wood-burning kiva fireplace. Adjacent to the light-filled living room is a private nook, finished with built-in bookcases, that functions effortlessly as an office/study, secondary seating area, or creative space. The kitchen is complete with abundant countertop space, ample cabinetry/storage and an informal dining area. Upstairs, the primary bedroom is a relaxing retreat with its own private deck. Outside, the patio area is a serene setting to unwind and the surrounding yard is well-suited for low-fuss flower and garden beds. The detached 345+/- sqft casita is a work-from-home dream, or a comfortable arrangement for hosting friends and family. Sensibility and style collide in one of Santa Fe's vibrant and well-cared for communities. Aldea is an active community with miles of walking trails, a community center and other amenities—all just 15 minutes from downtown Santa Fe.
