**\$820,000**

3 Bedroom, 2.00 Bathroom, 2,445 sqft

Residential on 0.23 Acres

N/A, Los Alamos, NM

Situated at the end of a private cul-de-sac, this custom-built home combines mountain character with lasting quality. The property takes full advantage of its setting, with views of the canyon and surrounding peaks visible from nearly every room. The great room is the centerpiece of the home, featuring vaulted ceilings, a two-story fireplace, and large picture windows that frame the landscape. The floor plan flows easily into the dining area, kitchen, and sunroom, creating a comfortable space for daily living and entertaining. The main level includes two bedrooms and a full bath, while updates throughout the home add convenience without losing its original style. Upstairs, a loft with custom built-ins and generous storage offers flexibility as an office, library, or quiet retreat. The primary suite is set apart, offering exceptional views, a large closet, and an updated bath. Outdoor living is a highlight, with three decks plus a wraparound walkway providing multiple vantage points for entertaining, birdwatching, or simply enjoying the scenery. Low-maintenance landscaping leaves more opportunities to relax and enjoy the view. Additional features include central A/C, laundry and pantry space, and an oversized two-car garage with a dedicated storage closet. With its thoughtful design, prime location at the corner of two canyons, and exceptional views, this home offers both privacy and community in a sought-after setting.
