Residential on 0.71 Acres

N/A, Santa Fe, NM

Set apart from the ordinary and just 2.5 miles from the Santa Fe Plaza, this striking custom Stamm home blends classic Northern New Mexico pitched-roof architecture with timeless Santa Fe charm. Sited on a generous 0.70-acre lot with expansive views of the foothills and Ortiz Mountains, this home offers a rare sense of space and privacy — all while keeping you close to the heart of town. Thoughtfully renovated throughout, the main residence features three bedrooms, wood floors, and a warm, wood-plank ceiling with exposed beams. The living room centers around a charming brick fireplace flanked by custom bookcases, and the stylish kitchen boasts cool glass tile backsplash, great gas cook top, ample storage, and even a wood burning fireplace for ambiance. The sunlit primary suite includes California Closets and a beautifully modern bath with a large walk-in shower. A fully operational photovoltaic solar system helps keep energy costs low. A standout feature of the property is the detached 750-square-foot studio — complete with its own 100-amp service, ¾ bath, soaring ceilings, custom wrought iron doors, and an upstairs loft (not included in the listed square footage). Whether you're an artist, entrepreneur, or simply seeking bonus flex space, this studio delivers. Recent improvements include a Propanel roof, new Anderson windows, high efficiency tankless water heater, remodeled bathrooms, new tile and wood flooring, updated kitchen

countertops (2024), all-new interior lighting (2023), and fresh paint throughout (2025). This is a one-of-a-kind offering that feels private and peaceful – yet is mere minutes from galleries, dining, and all the cultural vibrancy of downtown Santa Fe.
