Updated in 2025, 4616 Apache Knoll blends warm Santa Fe style with modern comfort and easy, low-maintenance living. Sunlit interiors and a fresh, neutral palette set the tone as the main living and dining areas flow naturally to a modernized kitchen with refreshed cabinetry and counters, updated fixtures and lighting, and generous prep and storage—ideal for everyday cooking and casual gatherings. Bathrooms read clean and current with contemporary finishes, while comfortable bedrooms and a flexible additional space accommodate work, hobbies, or overnight guests.
