Welcome to 2104 Avenida de las Alturas! This single level home, built in 1983, has been lovingly cared for by the original owners. Once you enter the foyer, you are welcomed by recently added flooring throughout the home. There is a wood burning fireplace in the living room to enjoy on those beautiful cooler Santa Fe days and nights. The primary bedroom and bath are separated by the living area and the other two bedrooms. The updated guest bath has decorative tile in the shower and along the counter backsplash. A new roof was added recently and the garage door has been updated, along with the stainless-steel kitchen appliances. The fully enclosed back yard is a good size, with a few established trees and one of the side yards has planter beds. The front yard has xeriscape landscaping for minimal maintenance. This home is centrally located near shopping, schools, hospitals and restaurants.
